1 Note1

1.1 Page 1

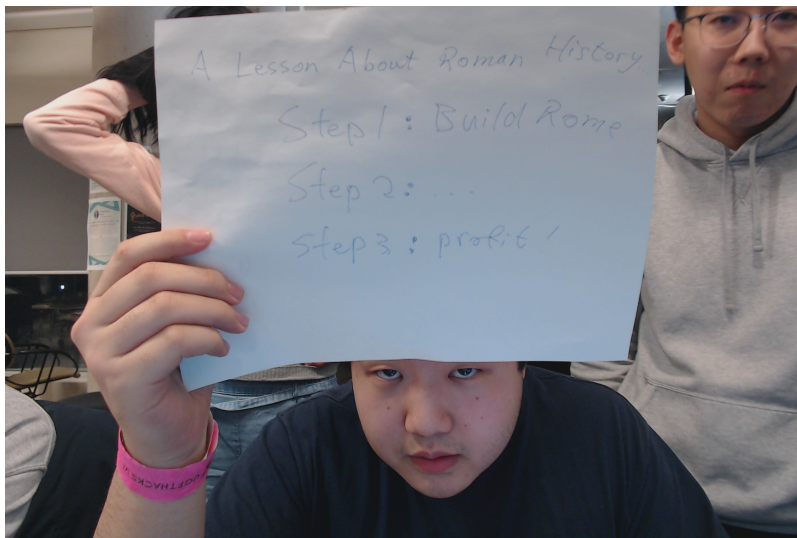

Figure 1: Image 1

Okay, good morning. Everyone today. We're going to talk a little bit about SQL and how we use it in a relational databases next page.

1.2 Page 2

Okay, let's continue talking about SQL. But specifically we want to start with relational-algebra see how that leads into SQL and Just keep forgetting what to say. That's why I make sure all.
