1 Note1

1.1 Page 1

Figure 1: Image 1

Your Note 4 engineering design has been started.
Okay. Hi, my name is not Foster. But you know we will deal with it. This is Praxis and we're going to be learning about how to BS our way through life. Next page, please.

1.2 Page 2

Okay, you are now on page to a great. So to start let's first put all the good people into one team and all the bad people look into another team and then
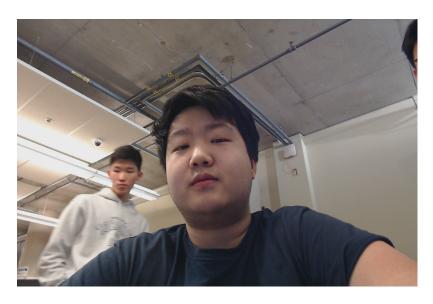

Figure 2: Image 2

see how the products go.
and this note
